I am pleased to present the 2005 Municipal Officials Directory.

This directory is designed to be a source of contact information, providing you with the names of council members and senior staff of Manitoba's municipalities, the schedule of regular council meetings and municipal population. In addition, contact information is provided for Manitoba Executive Council Members and Members of the Legislative Assembly.

The directory also provides a listing of important government programs and services, including local government support, assessment, planning services, infrastructure and economic development. I encourage you to contact staff if you have any questions or require any information about these programs and services.

Vibrant and sustainable communities are the cornerstone of a healthy province. In changing times, Manitoba's municipalities have demonstrated their resiliency and many continue to take action to meet new challenges. I commend those communities that are finding new and inventive ways to meet these challenges, and am honoured to be able to work with you in partnership to ensure your continued success.

Sincerely,

Scott Smith
Minister
